

*Ferndale Day Camp
proudly presents...*

Creature Feature

The Creature Feature week will put on display a number of different species of animals and their habitats. We'll take two field trips this week - one to the Ferndale Area District Library for a "Nature's Mythbusters" presentation and the other to the Detroit Zoo. Then, the guys from Nelson Wildlife Safari are back with a brand new batch of critters to display, some of which are more thrilling than others. In addition to animalistic activities, this week will also kick off our summer-long BeFit program sponsored by Oakland County Parks and Recreation.

Come make memories with us!

In the physical copy of this newsletter that parents will receive at the beginning of each session, this section will serve as a recap of the previous session, complete with pictures unique to the week's special events and field trips.

Join in on the fun. Come to Ferndale Summer Camp and help us fill this section each week with memories that will last a lifetime!
