Water Wars

Set smack dab in the middle of the summer, our Water Wars week will offer campers the chance to cool down in what's traditionally the hottest week of the summer (***crosses fingers***). As long as the weather holds up, your camper will need his/her swimsuit every day this week. On Tuesday we'll play a few rounds of Water Cup Relays before going to the Red Oaks Water Park on Thursday. Then, we'll round the week out on Friday with our annual Water War, featuring several water-based games and an all-out squirt gun battle. Feel free to send your camper with a super soaker or any other water toys on Friday, and come prepared to get soaked!

Come make memories with us!

In the physical copy of this newsletter that parents will receive at the beginning of each session, this section will serve as a recap of the previous session, complete with pictures unique to the week's special events and field trips.

Join in on the fun. Come to Ferndale Summer Camp and help us fill this section each week with memories that will last a lifetime!

This Week's Field Trip

Red Oaks Water Park

The Red Oaks Water Park is one of Oakland County's largest aquatic centers. The park is highlighted by triple water slides, the 990-foot-long lazy river, a kiddie area with a giant bucket and the wave pool that sends waves flowing into campers every 10 minutes! The center provides its own flotation devices for both the wave pool and the lazy river.
