

*Ferndale Day Camp  
proudly presents...*

*In 2016, we're surrounded by screens, be it TV, computers, tablets or handheld video games. During our "Great Outdoors" week, the only screen your camper will (hopefully) need is sunscreen. We have a pair of field trips lined up to get your child outside and active. On Tuesday, we'll head to Belle Isle for another MParks-sponsored event, featuring a number of inflatables, the giant slide and the Belle Isle beach. Then on Thursday, we'll head over to Waterford Oaks for a morning of outdoor nature activities and an afternoon at the county's water park.*

## Come make memories with us!

*In the physical copy of this newsletter that parents will receive at the beginning of each session, this section will serve as a recap of the previous session, complete with pictures unique to the week's special events and field trips.*

*Join in on the fun. Come to Ferndale Summer Camp and help us fill this section each week with memories that will last a lifetime!*

Field Trip*

## Waterford Oaks Water Park

Aquatic adventures await! Waterford Oaks Water Park offers one of the largest of any of the outdoor parks that we visit. The park features the Ragin' Rapids, a group raft ride that starts at a height of three stories, the Big Bucket children's water playground, and, of course, the Tropical Wave Pool complete with palm trees and bubbler fountains near the "shore."
