

*Ferndale Day Camp
proudly presents...*

Olympics Week

Hope you all are ready to show your camp pride, because this week we're putting everyone's athletic prowess and teamwork to the test. Your camper will be placed in one of three Olympic teams and spend the week prepping for different events at Friday's Camp Olympics. On Thursday, we'll tie dye shirts, socks and whatever else you'd like to bring in your team's color. At the end of the day on Friday, we'll have an awards ceremony to recognize the effort that every put in to their events.

Come make memories with us!

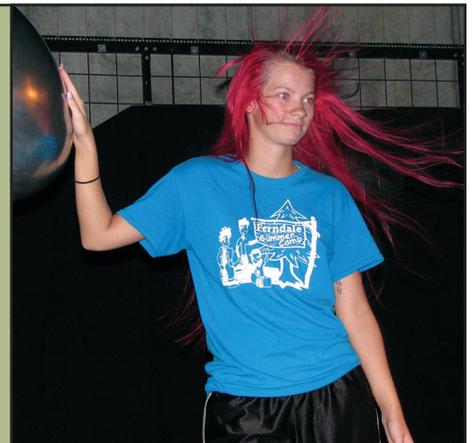

In the physical copy of this newsletter that parents will receive at the beginning of each session, this section will serve as a recap of the previous session, complete with pictures unique to the week's special events and field trips.

Join in on the fun. Come to Ferndale Summer Camp and help us fill this section each week with memories that will last a lifetime!

*This Week's
Field Trip*

Michigan Science Center

There's not much on this Earth more powerful than Mother Nature, and with this trip we'll get the opportunity to see and experience some aspects of how she operates. We'll take a tour of the entire facility, including viewing a Chrysler Science Stage show and experiencing the electric atmosphere of the Sparks Theater. We'll also get the chance to experience a film in the IMAX Dome Theater!
