

FERNDALE

Exciting Opportunity to Guide the Future of Ferndale's Voters!

The City Clerk is recruiting community members, poll workers, and elected officials to create an election task force to help guide the selection of new polling locations, brainstorm methods of improving voter turnout, and increase our pool of precinct inspectors.

Why me?

You're community minded, invested in Ferndale, and interested in helping determine new polling locations and improving the election process—perfect for our task force!

What will I be doing?

Helping to determine precinct locations and suggesting ideas to increase participation in the democratic process. Meetings will be held 1–2 times per month through October, at times most convenient for the majority of the group (likely in the evening). The only thing you need to bring is your creativity, community spirit, and innovative outlook.

How big is the task force?

We are inviting about 20 residents and other stakeholders to participate. Everyone who wants to help and can attend the meetings is welcome.

How do I get involved?
